Your accommodation

The Peveril of the Peak occupies a wonderful position in the village of Thorpe, less than a mile from the famous stepping stones at the entrance to the Dove Dale gorge. Named after the novel by Sir Walter Scott, it offers excellent facilities and is surrounded by extensive grounds

Leader Sally Smith

Sally Smith has over 20 years experience working in the horticulture sector in varied roles from a college lecturer, a researcher for the BBC at RHS Chelsea Flower show, to being a gardening advisor at Garden Organic Ryton. She is passionate about all plants whether ornamental, humble vegetables or wild flowers and loves to share this knowledge when visiting gardens. Sally believes every plant has a story to tell when put into the context of the place in which it is growing, linking plants to the garden's history and the people who garden there past and present. Sally is also a walking leader.
